You will create with your group an approximately 5-6 minute presentation on a Cabinet Level Department. Include the following in your presentation

- Department Name and Logo
- Notable organizations in the department (Bureaus, Offices, Agencies, Administrations)
- How many employees does this department have
- Mission statement/Purpose
- Budget for this Department
- Current Leadership (who is the Secretary)
- Issues that they are active in. Policies they work on
- Notable recent activity... program successes, failures, scandals (essentially, why are they in the news?)

Strongly encouraged are photos of the department at work
