

LAWCRAFT - *A brief simulation of finding what works in a legislature*

Visit: [Play LawCraft | Congress Simulation Game | iCivics](#)

Select "No Thanks" when prompted on the "Full Experience"

You will be playing three scenarios. For each choose a district type to represent and after reviewing letters, choose a topic for your legislation. Select a different district type and legislation type for each of the three playing sessions.

**Scenario #1:**

What type of district did you choose?

What issue did you choose for the topic of your new legislation?

Post a screen shot of your completed result:

**Scenario #2:**

What type of district did you choose?

What issue did you choose for the topic of your new legislation?

Post a screen shot of your completed result:

**Scenario #3:**

What type of district did you choose?

What issue did you choose for the topic of your new legislation?

Post a screen shot of your completed result:
